Dear Ms. Chambers:

Re: Psychiatric Patient Advocate Office (PPAO)

Thank you for your letter of November 10, 2011 that was also sent to the Minister of Health and Long-Term Care. I appreciate you taking the time to express your interest in the consultations regarding the PPAO.

The government has only recently returned to office and is currently reviewing plans for the upcoming months. I value the commitment of your organization to improve services for clients at the Center for Addiction and Mental Health, as well as your work in the areas of provincial advocacy. I know many groups are interested in this issue, and I thank you for taking the time to correspond with the ministry on this matter.

Sincerely,

Patricia Li
Assistant Deputy Minister
